Event 24:- Is individual trophy races only. No Championship.

## Championship Eligibility:

The competitor is only eligible for championship points in their appropriate machine capacity class for that event. Additional races entered outside the machines capacity class will not be eligible for championship points for that event.

The championship trophy committee have the right to adjust championship final standings at the end of the season.

A reminder to all competitors that if they have an issue with any timed result sheets then you have 30 minutes to protest the issue with the "Clerk of the Course". Otherwise the results will stand.

If any competitor has any concerns with the points scoring of the solo championship standings throughout the season then please come and talk to me at any meeting or contact me through the BHR forum to discuss and resolve your concerns.

I wish all competitors a great seasons racing.

Regards, Dan Ledger.
